**Level 2 Short Course Open Meet**  
**19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> October 2018**

- 1 The meet will be held under ASA Laws and Regulations and Technical Rules of Racing, and has been licensed by the ASA for entry into National and Area Championships and Competitions.
  - 2 All competitors must be members of an affiliated club, eligible to compete and registered in accordance with ASA laws and technical rules and may enter in the name of one club only.
  - 3 By submitting entries on the official entry forms and discs, clubs and competitors accept the rules of this competition. Competitors whose entries are accepted and subsequently found to have been entered in the wrong event(s) because of incorrect entry information will be withdrawn from the event(s) and will not have their entry fees refunded.
  - 4 The pool is 50m, but the competition will be swum **Short Course (25m)**. Anti-wave devices will be in place and electronic timing/placing will be used. The organizer reserves the right to ban the use of gas hooters, klaxons etc., which in the organisers opinion, could be a hazard or a danger to swimmers, officials or spectators. Continuous warm up and swim-down facilities will be available all day.
  - 5 **Entries must be made with (Long course or Short Course converted) times registered on the ASA Rankings database** via Hy-Tek team manager and e-mailed to [swimmingmeetentries@gmail.com](mailto:swimmingmeetentries@gmail.com). Printout of Hy-Tek entry file (or clerical entry form if applicable) and payment form should reach the Meet Secretary by **Friday, 28<sup>th</sup> September 2018**.

The promoters reserve the right to amend the number of heats in each event depending on entry numbers. **There are lower qualifying times on all events to reflect the level of the meet.**
  - 7 **If the event is oversubscribed, and in order to keep each session within the appropriate time period, the promoter will reject slowest entries across all age group and events in equal number.** As soon as possible after the closing date, club list sheets will be emailed to club secretary for accepted entries, together with any information in respect of entries not accepted. All refunds will be made 'en block' to the club submitting the entries, these will be sent by post or available for collection by Clubs on the day. By submitting entries, consent is thereby given, as required under the data Protection Act of 1998, to the holding of personal information on a computer. Personal data, including submitted and recorded times, may be made public during the meet.
  - 9 Following updated guidance from the ASA the use of all photographic equipment is no longer controlled. Spectators/coaches and swimmers are reminded that if such equipment is used they should **STOP AND THINK** the guidelines on consent and decency must always apply. Photography guidance applies to all images and recordings taken on any camera, mobile phone or other recording devices. Social media guidance will apply if those images or recordings are being shared

through any social media platform [all club welfare officers have a copy of **wavepower** where full guidelines can be found].

These conditions may be overruled by the venue if they have a **No Photography** rule in place.

- 10 Heats will be pre seeded. **Swimmers do not need to sign in.** If time permits the organisers reserve the right to accept 'Deck Entries' on the day however these swimmers will be entered as Time Trials only. All reverse distance freestyle entries will be checked via Swim England rankings. If we need to limit numbers, or do not have a qualification time, we will rank swimmers based on their Swim England Ranking from normal 800m / 1500m times. Those swimmers with the fastest times (spread equally across all the age groups) will be given priority.
- 13 Competitors must report to the stewards 2 events prior to their event.
